

Cliffhanger

in association with **Sheffield BID**

See it, Try it, Do it...

Devonshire Green

Home to the British Bouldering Championships for the weekend, Devonshire Green will once again form the main hub of the action. There'll be various have-a-go activities including three climbing walls, parkour and orienteering, as well as a range of outdoor recreation traders, food stalls and of course, a bar.

Barkers Pool

The main spectacle will be the Zip Line, giving festival-goers thrills as they whizz down a high wire over the square (charged for activity). Sheffield's Skateboard School will show off their moves and offer taster sessions and British Cycling will bring a range of activities.

Tudor Square and Winter Garden

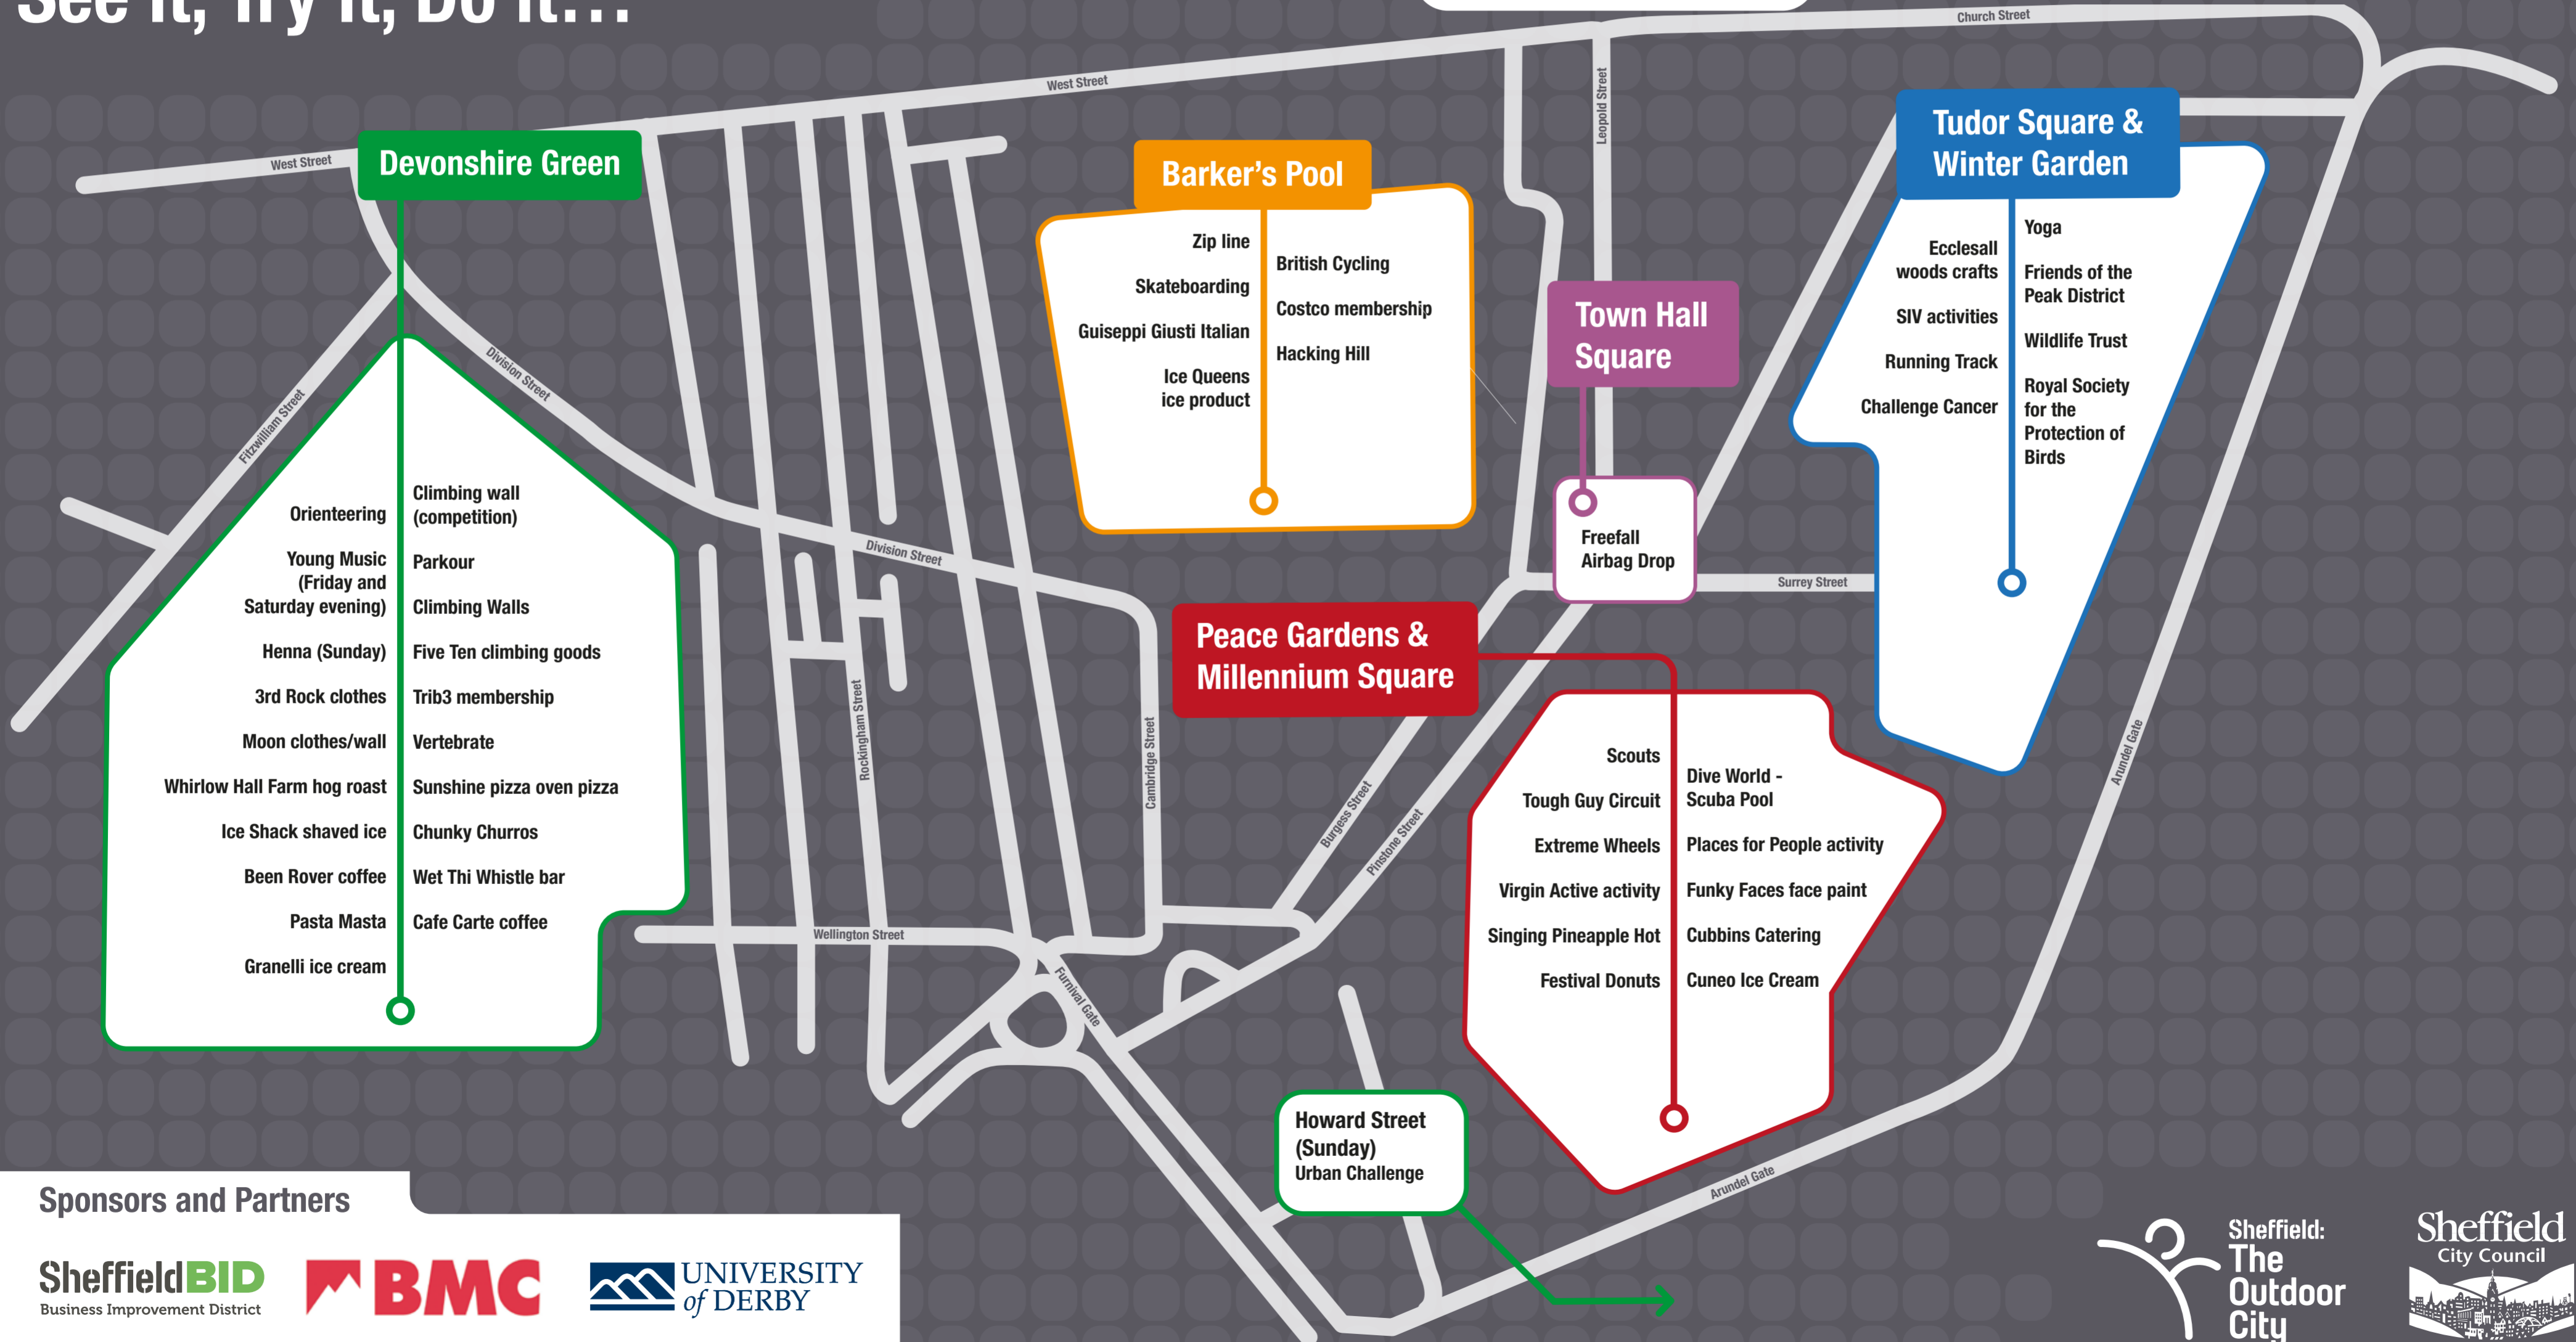

Practice being the next Olympic athlete, with Sheffield Athletics' pop-up running track, alongside SIV. The Winter Gardens will be an oasis of calm where you can learn more about Sheffield's wildlife and green spaces from Friends of the Peak District, the Wildlife Trust, RSPB and Ecclesall Woodcrafts.

Peace Gardens and Millennium Square

The Peace Gardens is set to be one of the most active areas of Cliffhanger with a host of have-go style activities. Take on the Tough Guy assault circuit, have a dip with Dive World scuba or join in the activities with Virgin Active and Sheffield scouts. BMX demo roadshow, Extreme Wheels will once again showcase their spectacular skills throughout the day in Millennium Square.

Town Hall Square

Adrenaline still flowing with the back drop of the Town Hall why not free fall onto an airbag from a 3m or 5m platform (charged for activity).

Devonshire Green

- Orienteering
- Young Music (Friday and Saturday evening)
- Henna (Sunday)
- 3rd Rock clothes
- Moon clothes/wall
